Open Recalls

Recall #: AG02 | Check Circlip on Bearing Bracket for Pedals

Recall Date: 2016 Mar 17

Recall Description

A circlip located on the brake pedal hinge may be missing. If the circlip is missing, the pedal pivot pin could start to move and the pedal could lose axial guidance. If this remains unnoticed by the driver, the pedal hinge could fracture after continued operation, allowing the pedal to dislodge. Porsche is not aware of any field cases in the US market to date.

Remedy

The vehicles will be recalled to the workshop and inspected for the presence of the circlip. If missing, a new clip will be installed at no charge.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact PORSCHE or visit [Porsche's website](#).

Stolen Vehicle Check

This vehicle is not actively declared stolen.

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accidents information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User License Agreements as each may be amended from time to time by CARFAX Canada.
